OPEN BURNING PERMIT APPLICATION

Applicants Name: _____

Address: _____

Phone Number: _____

Location of Burn if Different From Above: _____

All requirements of the International Fire Code and State of Colorado must be followed with regard to open burning. Failure to follow all requirements of the International Fire Code or State of Colorado shall result in revocation of this permit and all burning will cease immediately. The Adams County Fire Protection District requires a \$100.00 fee for all open burning permits. This fee must be paid in advance of a permit being issued.

REQUIREMENTS Agricultural Burning Only (for Farming purposes)

- Open burning shall be conducted as required by other governing agencies regulating air emissions.
- Prior to commencement of open burning, the District shall be notified 4 days prior to burning.
- Open burning of rubbish containing paper products is prohibited.
- Open burning shall be conducted only during daylight hours.
- Open burning shall not be conducted during periods of windy conditions (greater than 5 MPH).
- A garden hose connected to a water supply or other approved fire extinguishing equipment shall be readily available for use at open burning sites.
- Open burning shall be constantly attended by a person knowledgeable in the use of fire extinguishing equipment and familiar with the permit limitations of open burning.
- The Chief or his/her representative is authorized to require that open burning be discontinued immediately if it is determined that smoke emissions are offensive to occupants of surrounding property, or if the open burning is determined by the Chief or his/her representative to constitute a hazardous condition.
- Open burning of ditches shall be restricted to burning of natural materials that have grown in the ditch. Open burning of ditches is restricted to the ditch only.
- Applicant can request assistance from the District in regards to protecting structure within close proximity to the open burning. In some instances, the District will inform the applicant that District assistance is required to protect structures within close proximity of the open burning.

The applicant hereby agrees to abide by the requirements of this permit. The applicant also understands that violation of any of the requirements in this permit shall be cause for immediate revocation of this permit and open burning will cease immediately. The District will have final determination in regards to when an open burn can take place.
